Trailer

The Wedding Trailer is a fun, emotional blend of video throughout the day that shows all the best and important moments. Perfect for sharing with friends and family! This is set to background music/instrumentals, chosen by us. The length is typically 3-5 minutes.

Highlight Video

The Highlight Video is an expansion of the Trailer that shows all the best and important moments in their entirety blended with footage of details and behind the scenes moments. You can choose up to 3 songs to be included in your video. The length is typically 15-25 minutes.
